An update for Friends Supporters

SHELDON H. RUBIN ONCOLOGY CLINIC GETS NEW DONOR FUNDED OUTDOOR AWNING

Construction has been completed
on a beautiful new outdoor
awning for the Sheldon H. Rubin
Oncology Clinic at The Moncton
Hospital.

Under construction

This is a welcome and important
addition to the building to protect
cancer patients from the outside
elements.

The entire project cost was
\$137,500. Special thanks to the

estate of Gilbert Bowness for
contributing \$75,000 to the
Foundation towards this!

The remainder of the funds came
from the NB Doctors Cycling
Against Cancer fundraising.

Newly installed

Jennifer Rogers, *Nurse Manager*,
Sheldon H. Rubin Oncology Clinic,
is very appreciative, "The new
canopy will provide much needed
coverage from the weather for our
patients when they are dropped off
or picked up at the front door. The
canopy will decrease the amount of
snow and ice that often accumulates
outside the door in the winter and
keep our patients dry in the summer.

It is also aesthetically pleasing and
ties in nicely with the design of the
building. We are all very proud that
the NB Docs Cycling group and the
Friends were able to help us make
this a reality."
