MONCTON HOSPITAL HERO

"The first time I was nominated, I burst into tears. It was really special. Everything we do—all the long hours, the time away from our families—actually matters to somebody."

DR. ERIN HEMSWORTH
OBSTETRICIAN-GYNECOLOGIST

HONOUR YOURS WITH A DONATION

A reassuring talk before the birth of your first child.

Compassion during your toughest moment.

Five extra minutes with someone you love.

A life-saving procedure performed with the utmost care.

When moments like these impact your life, they become unforgettable.

And they don't happen by chance. They happen because someone commits to going above and beyond their call of duty to improve the lives of those around them, and we think that deserves to be recognized.

By nominating your **Hospital Hero** and making a donation in their honour, you not only show them how grateful you are for the work that they do, but you also help ensure other patients get extraordinary care, too.

Your **Hospital Hero** will be personally notified that a donation has been made in their honour and will be presented with a unique pin and personalized certificate recognizing their exceptional level of patient care.

Nominate your Hospital Hero today and make a difference in their life, just like they did in yours.
