Caring Connections

An update for Friends Supporters

Four great reasons to let the Friends of The Moncton Hospital know about your legacy gift:

1. With over 85,600 registered charities in Canada, it is important you include our proper legal name — **The Friends of The Moncton Hospital Foundation Inc.** in your will. You may also wish to designate your gift to a certain area of the hospital. Our team of experts can help ensure that your gift will be used as you intend by providing suggested bequest wording for your will, which you can bring to your lawyer.

2. No matter how big or small the amount, we invite all those with future gifts to join our **Gifts for Life Society**. The Society is our way of saying thank you to our donors for their future commitment. Members are offered the chance to be recognized on our Donor Wall, receive updates on the important work being done at The Moncton Hospital, as well as in our Circle of Friends newsletter. Members are also invited to exclusive donor events such as our annual luncheon. You may also choose to remain anonymous. It is completely up to you.

3. By telling us about your future gift to the Friends of The Moncton Hospital now, you can help us plan for the needs of The Moncton Hospital of tomorrow and fully commit to funding our critical work today. Legacy gifts ensure the Friends of The Moncton Hospital can continue to create a healthier community for our friends, neighbours and families. Please know that by **telling us about your gift**, it in no way makes it binding. We understand that circumstances change, so please just notify us if that happens.

4. To say **thank you!** We are extremely grateful for your gift and would love to express our appreciation.

For more information on legacy giving, contact Jacqueline Bloom at 870.2698 or Jacqueline.Bloom@HorizonNB.ca
